**Catalog ID:** 251-MSRTI

**UPC Number:** 78174737251

**Description:** Bridgeport Fittings Mighty-Seal® product line is designed to provide quick and easy raintight connection to EMT raceways. The 251-MSRTI installs in less than half of the time of a conventional fitting. Installation is accomplished by inserting a properly deburred end of EMT into the end of the Mighty-Seal and slightly rotating the UL listed fitting until the conduit reaches the end stop. Removal is accomplished by loosening the nut and removing the component parts from the end of the conduit. Reassemble the fitting in the reverse order of the removal process and re-use.

**Application:** Bridgeport Fittings Mighty-Seal® 3/4 inch EMT Connectors are used to connect a 3/4 inch EMT raceway to a box, device, or enclosure. The 251-MSRTI 3/4 inch Mighty-Seal™ connector is UL listed for use in Wet Locations. The 251-MSRTI is constructed with an insulated throat.
