**1 THE POWER OF ONE**

**CHERNE®** **db** Dearborn Brass.  
**Oatey®** **HERCULES®**

# Our History

OATEYSCS® BRAND

**Cherne®** is the recognized world leader in pipe plug and testing equipment manufacturing. In 1998, Cherne demonstrated its commitment to quality and continuous improvement by achieving ISO 9001 registration. Cherne is the only domestic pipe plug manufacturer to achieve this certification. Serving the plumbing and underground industries for almost 50 years, Cherne is dedicated to providing customers with unparalleled product quality in addition to the highest level of customer service. From plumbing to underground—we have your products in stock.

For more information on Cherne or our product offerings, please visit [www.cherneind.com](http://www.cherneind.com).

**Dearborn Brass®** is the leading manufacturer of Brass and Plastic Tubular products for the plumbing industry.

Included in our product offering are Commercial Tubular, Bath Waste and Overflow, Basket Strainers and Plumbing Specialties. Dearborn Brass has been successful for more than 100 years because of the commitment of our associates to provide superior quality products at competitive prices. The Dearborn Brass name has grown to become the preferred choice of plumbing professionals, widely recognized by its distinctive checkerboard packaging. Find the checkerboard and you've found assured quality and peace of mind.

For more information on Dearborn Brass or our product offerings, please visit [www.dearbornbrass.com](http://www.dearbornbrass.com).

**Hercules®** brand plumbing chemicals have been found in plumber's tool collections for nearly 100 years. The company makes more than 100 different products including chemicals, putty, drain cleaners, hand towels and Megaloc® thread sealant and PTFE tapes.

For more information on Hercules or our product offerings, please visit [www.herchem.com](http://www.herchem.com).

**Oatey®** is the leading manufacturer of solvent cements, roof flashings, washing machine outlet boxes, air admittance valves, plumbing chemicals, wax bowl rings, and hundreds of other plumbing specialty products. Found in many residential and commercial applications, Oatey products have earned the trust of both plumbing professionals and consumers since 1916. Oatey Co. operates a comprehensive global manufacturing and distribution network, backed by experienced and responsive technical service professionals.

For more information on Oatey or our product offerings, please visit [www.oatey.com](http://www.oatey.com).

**Oatey SCS®**

Based in Cleveland, Ohio, Oatey SCS distributes an unmatched array of more than 6,000 plumbing products. Our stable of brands has built significant equity over the years and is leveraged to penetrate various market segments. Included are **Cherne®** underground and testing equipment, **Dearborn Brass®** tubular and bath waste products, **Hercules®** plumbing chemicals, and **Oatey®** plumbing supplies.

For more information on Oatey SCS or our product offerings, please visit [www.oateyscs.com](http://www.oateyscs.com).

United Elchem Industries

# Category 1

## Plastic Pipe Cements and Primers

Oatey sells only Lo-VOC solvent cements, which means they are compliant with the South Coast Air Quality Management District (SCAQMD) Rule 1168 and the Ozone Transport Commission (OTC) standards. Plus they meet ASTM, NSF and UPC standards for a wide variety of applications, including potable water, DWV, industrial, pool/spa, turf/irrigation, sewer and many more. With Oatey you get more than just the strongest solvent welded joint – you get the confidence of the top selling brands, backed by years of extensive research and leadership in the plumbing industry. That's why Oatey has been the choice of plumbing professionals for nearly 100 years.

**Fix-It™ Stick Epoxy Putty**

- Convenient multi-purpose sealing, patching and mending compound.
- Steel filled material, mixes in your hand and hardens in minutes.
- May be drilled, tapped, filed, sanded, sealed and painted when hardened.
- Non-toxic material contains no solvents and will not shrink.
