

47613-EZR

Tools and Accessories

Brand Features

Leviton's EZ-RJ45 Connectors and EZ-RJ45 Crimp Tool provide quick, cost-effective UTP wire terminations. The connectors feature openings that allow wires to be inserted and extended out the front providing increased performance, wire sequence verification, and no wasted connectors, crimps, or bad terminations. The connectors exceed Category 5e standards when terminated using Leviton's high-quality EZ-RJ45 Crimp Tool. The crimp tool features a built-in cutter and stripper that crimps and cuts wires in one operation. It accommodates EZ-RJ45 Connectors, and most standard RJ-45 and RJ-11 connectors. This craft-friendly tool features precision ground crimp dies, a full cycle ratcheting mechanism, and steel construction for strength and durability.

Item Description

EZ-RJ45 CAT 5e Plug, Bulk Pack Qty 10

UPC Code: 07847711612

Country of Origin: United States - **Eligible for ARRA funded projects*

**May include one or more globally sourced components.*

**Buy American Compliant Logo -- The American Recovery And Reinvestment Act of 2009 ("ARRA") provides federal grants and loans for projects throughout the country. Section 1605 of the Act, named the "Buy American" provision, requires that certain materials and manufactured products used in projects funded by the Act be manufactured in the United States. The appearance of the Recovery Act Logo in relation to a Leviton product is only intended to reflect that such product may be used in an ARRA funded project. It does not mean that such product or Leviton is sponsored or endorsed by, or that Leviton receives funds from, the federal government or the Recovery Accountability and Transparency Board. Nothing in Leviton's use of the logo is intended to suggest anything regarding the requirements for funding under ARRA.*
