Cartridge Fuse

TCF80RN

UPC:051712236171

Dimensions:

- **Height:** 1 IN
- **Length:** 3 IN
- **Width:** 1 IN

Weight: .282 LB

Warranties:

- Not Applicable

Specifications:

- **Type:** Time delay, inrush current withstand
- **Special Features:** Finger safe
- **Application:** Electrical panelboards, industrial control, machinery disconnects, required finger safe systems
- **Amperage Rating:** 80A
- **Voltage Rating:** 600 Vac, 300 Vdc
- **Interrupt Rating:** 300 kAIC 600 Vac, 100 kAIC 300 Vdc
- **Fuse Indicator:** Non Indicating
- **Packaging Type:** Standard
- **Response Time:** 10 s at 500%
- **Material:** Glass filled PES
- **Class:** Class CF
- **Fuse Type:** CUBEFuse
- **Mounting:** 35 mm Din Rail, chassis
- **Number Of Elements:** Dual

Supporting documents:

- [CUBEFUSE 80 AMP NON-INP](#)

Certifications: No Data

Product compliance:

- CE Marked
- RoHS Compliant
