Dimension A in Inches: 1.09

Dimension B in Inches: 1.25

Dimension C in Inches: 1.06

Application

Bridgeport's Mighty-Bite Push-EMT Push on Grounding bushing is used to terminate service 1/2" EMT conduit. The integrated zinc die cast lug with dual ports is suitable for use with #14 - #4 wire and is provided for bonding EMT. Captive nylon 105 degree C insulator prevents damage to wire insulation. Easy installation, simply push onto conduit.
